WHY CHOOSE A GREAT ESCAPE CARAVAN	39

WE ARE **THE** FAMILY CARAVAN SPECIALISTS

WHY CHOOSE GREAT ESCAPE CARAVANS?

Because you can always speak with the people who design, build, and deliver your caravan.

We are Jason Biewer and Anthony Neumann, co-owners, managing directors, and caravan designers.

Our pride in ensuring each caravan purchase is paired with informative progress reports and welcoming service anytime throughout your Great Escape Caravan adventures and beyond keeps our customers returning and spreading the word about our caravans and service support.

We've been in the caravan industry for over 30 years, with a combined background in designing, manufacturing and selling caravans. For us, it has always been about finding the right fit for those looking to become a caravan owner. Listening to and understanding what matters to them and where they want their adventures to take them enables us to find the right fit from the start.

Our experience in caravanning includes years of watching the technology and design of caravans develop from the early heavy to tow with no bathroom and no bunks through to cramped pop-top

caravans as each of us enjoyed camping and caravanning with our families since we were kids!

As adults with our own families, we enjoyed caravans with bunks that were functional but nowhere near the level of style and capabilities family caravans have today.

Our adult children now enjoy the kind of caravan travel we dreamt up way back when they were toddlers - a Great Escape Caravan, and that's what drives us to help more families start or continue their family traditions in caravanning.

We are proud to be part of developing caravans that are now state of the art and towed easily for a comfortable ride and an even more luxurious stay. Seeing families and couples explore our beautiful country with the confidence that they will be comfy and dry and safely get to their next destination is why we do what we do.

We know caravans from the ground up and have the experience to assist you in building a caravan fit for any adventure you choose.

DESIGNED IN HOUSE BY JASON & ANTHONY; **ALWAYS.**

Each 'In Stock - Tow Away Today' model has been designed with a particular customer in mind; we know each one will be found by the right people at the right time and be ready to tow away!

Our 'Custom Order Caravan' models are available in semi-off-road or full off-road with specifications to suit how you travel. We work with you to choose your interior & exterior colours and finishes and to ensure your custom model has any accessories or modifications you want - we make it your own.

SHARED **WITH YOU,** EVERY STEP OF THE WAY.

Manufactured right here in Melbourne, just 30 minutes from our head office and indoor showroom in Ravenhall is our manufacturing facility. We oversee the journey of each caravan build from the very first weld of your Australian steel chassis to the last polish before it's on its way to you, and we keep you informed with video, images and progress reports throughout.

It's your investment in your future and an integral part of our service support. Informing you what's happening at every step as part of the process.

CHOOSE YOUR **OWN ADVENTURE.**

Speak to us about why choosing a Great Escape Caravan is a good bet.

THE RANGES

Whether you are a 1st, 2nd or 3rd time caravan buyer we understand you may know exactly what you are looking for, or not know where to start. That's why every one of your experiences with us throughout your journey will include an unprecedented level of support along the way.

Our experience in caravanning gives us the unique ability to not only understand the way you may like to holiday but we can also help ensure you continue to do so.

We can assist in getting you on the road with a brand-new caravan that is within your budget and has the backing of a trusted brand.

Great Escape Caravans is a family-owned business with over 30 years in the caravan industry, 10 of which are as Great Escape Caravans.

CUSTOM CARAVANS

AUSTRALIAN MADE. DESIGNED IN-HOUSE AND MADE IN MELBOURNE.

CUSTOM CARAVANS

AUSTRALIAN MADE. DESIGNED IN-HOUSE AND MADE IN MELBOURNE.

We pride ourselves on being among the few Australian caravan manufacturers who do it all.

Co-owners Jason and Anthony design each Great Escape Caravan with the manufacturing process carefully monitored throughout. Each of our caravans is manufactured from the ground up in our exclusive factory here in Melbourne.

Our ability to enable caravanning families and couples with the opportunity to travel with a custom caravan is a key part of Great Escape Caravans. With our tight-knit team and all designs created exclusively by the very people you speak with each time you contact us, we can provide premium materials and individual designs for each caravan.

THE PROCESS - BUILD A CUSTOM CARAVAN WITH GREAT ESCAPE CARAVANS.

Select a layout.

Choose a floor plan that suits your individual needs. Our extensive range of floorplans caters for singles or couples to families of up to six. Spacious interiors mean each individual has room to sleep comfortably, enjoy the lounge and kitchen area and shower in ample space.

Enjoy the great outdoors with exterior kitchens, entertainment systems, outdoor showers, and extensive storage options. Each model has attributes designed with keen caravanners in mind.

Make your design unique to you.

When you choose to build with us, our in-house design service allows us to modify, accessories, or alternate features within your caravan to your specifications.

Our team will work with you to choose all interior and exterior colours, finishes or fittings. We can also assist in the design process, choosing from our extensive collection of available colours and finishes to reduce overwhelm and ensure your new caravan will suit your tastes.

With years of experience in manufacturing caravans, our team is well-versed in current design trends and innovations, and our selection is growing as new materials and colours are developed.

Enjoy the process.

Our pride in providing in-house design services and overseeing every Great Escape Caravan built from the ground up shows as every owner of a custom-built caravan is informed throughout the journey from design to delivery.

We aim to provide regular updates, including images and video directly from the factory so you can enjoy the process and the excitement building as your caravan moves closer to delivery day.

**FINISHES &
COLOURS**

UNIQUELY YOURS

MAKE IT YOUR OWN. SELECT PREMIUM INTERIOR AND EXTERIOR COLOURS AND FINISHES.

When you choose a custom caravan - it's manufactured for you, so why not make it your own?

We source only the most innovative products that provide longevity and beauty for our caravans. Design your caravan to suit your tastes and requirements with a wide selection of interior colours, finishes, and varied materials.

Your selection of colours and finishes makes your caravan stand out from the rest and is as unique as you are.

Feel confident in your decision when choosing for your caravan.

Our pricing is transparent, and the available colours and finishes are part of our standard range, meaning you could create a custom caravan without added cost - keeping each Great Escape Caravan affordable to most.

Included in a custom caravan design is your ability to select:

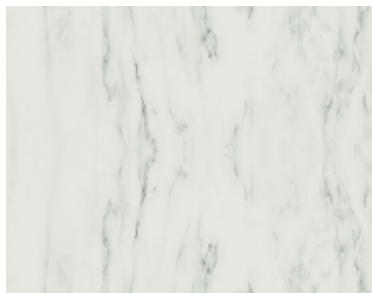

- ☐ Exterior cladding colour & finish
- ☐ Exterior fittings
- ☐ Exterior decals
- ☐ Wheel rims
- ☐ Kitchen & ensuite bench colour & finish
- ☐ Splashback colour & finish
- ☐ Cabinetry colour & finish
